

ALL KERALA IT DEALERS ASSOCIATION

Very happy to announce this achievement

The DQ Week is having its annual APR awards in Bangalore on 10th of August at the Hotel Chancery Pavilion.

I would like to take this opportunity to inform you that, we have won Best Association award. DQ Week honored the best associations of each region and handed over a trophy. They have already done this at the functions in Mumbai and Kolkata in July. TAIT was the winner from West, and COMPASS was the winner from East. This was on the basis of the Channel Association Survey they conducted with IDC. **According to the survey AKITDA is the best association from South and 4th overall nationally (54 Associations).**

Thanks & Regards,
